She attended workshops that focused on topics such as anti-trust issues, the Interstate Compact, telemedicine and physician health programs. Mr. Hoser also mentioned that there was discussion regarding mandated reporting and workforce census. He stated that he co-chaired a Physician Assistant forum and it is hoped that there will be a greater PA presence each year. Finally, Mr. Hoser asked members to consider attending next year to support former board chair, Patricia King, MD when she will be inducted as the next FSMB President.

Ms. Vincent informed the Board that the lawsuit filed in 2016 by the Vermont Alliance of Ethical Healthcare Inc. and the Christian Medical and Dental Associations was dismissed by the federal District Court. However, the plaintiffs

have the option of appealing that ruling and have approached the Assistant Attorney General who is representing the Board to propose a settlement that would include them foregoing the right to appeal. .
